2022 NATIVE PLANT EDUCATION FIELD CLASSES

Navajo Lake Trail RESCHEDULED to July 29, 9am – 3pm

This hike starts at 9,320' and ascends; however, the goal is not to hike to a destination (such as the lake) but to enjoy the flowers along the way. The flowers should be lovely!! We will go as far as we can get before heading back down.

We will meet at the Intersection of Highway 145 and Forest Service Road 535, Dunton Road. You will be sent more detailed instructions for the class including directions after you sign up.

Also coming in August: Fall Seeds and Fruits at the Confluence of San Miguel and Dolores Rivers, August 26, 9am – 3pm.

Call 970-327-4393 or respond to this email to sign up for either or both classes! We are asking for \$25 to cover expenses and materials you will receive. Pay in advance to reserve your spot. If the class fills up and you haven't paid, you will lose your spot.

Make check out to SMB Extension Fund and mail to PO Box 130 or bring by the Extension Office at 1120 Summit Street, Norwood, CO. **Sorry but NO DOGS.**
