NATIVE FRUIT & NUT CLASS

**Thursday, August 24th
8:30-3:00 PM**

**Priest and Woods Lake
Area**

It's another excursion into the field classroom where registrants will learn how to identify edible fruiting plants in the area, as well as how to ethically harvest, and how to prepare them.

Leave the next day open for a potential day in the kitchen to make something delicious from anything harvested the previous day. The class meets at 8:30 a.m. and will end before 3 p.m. No dogs, please.

Registration is \$35 and includes a booklet, "**Native Fruits & Nuts of the San Miguel Basin**," which can also be purchased separately. Register for complete details on this class.

For more details and to sign up, call 970-327-4393 or email:
maryw@sanmiguelcountyco.gov

More information will be sent to those who sign up.

From the CSU Food Systems Team Food Safety Training for Cottage Food Producers 2023 Courses

Learn how to safely produce food from home as a cottage food business. This online course covers a variety of topics, including: basic food safety, foods that are permissible under the updated Colorado Cottage Foods Act, ingredient labeling, special considerations for food preparation at high altitudes, and safe food sampling best practices.

Registration is \$50. Courses will be offered online on the following dates.
Click each date below to register and learn more about the program.
