Did You Know?

All 4-Hers must complete a community service project. A list of local community service opportunities will be sent out in the coming weeks for you to peruse. Many clubs also offer group opportunities.

A minimum attendance at six club meetings is required for a 4-H member to complete his/her project. Work closely with your club leader to ensure you meet this minimum requirement.

4-H Participants will be asked to provide one demonstration per year. Your 4-H leader will help you to decide on a topic or theme and assemble your presentation for your club!
